

## Contents

### ON THE COVER

For more information see "Update on Fecal Microbiota Transplantation 2015: Indications, Methodologies, Mechanisms, and Outlook" by Kelly et al on page 223.

### COVERING THE COVER

1 *A. W. Lowe and R. H. Moseley*

### PRESS HIGHLIGHTS

*G. L. Su and K. Novak*

Neuro-gastroenterology Researcher Receives VA's Middleton Award

New Approaches to IBS and IBD, but Concerns About PPIs, Highlighted at DDW

To read these and other Press Highlights scan the QR code to the left or visit <http://bit.ly/1r8sjf0>.

### COMMENTARY

4 **Gaps in Knowledge and Research Priorities for Alcoholic Hepatitis**  
*A. J. Sanyal, B. Gao, and G. Szabo*

### MENTORING, EDUCATION, AND TRAINING CORNER

10 **Women in Science: Hints for Success**  
*S. J. Henning and M. K. Estes*

### EDITORIALS

14 **The Enigma of Carcinoids**  
*D. C. Chung*  
See Sei Y et al on page 67.

15 **Fecal Microbiota Transplantation for Ulcerative Colitis: Not Just Yet**  
*A. M. Grinspan and C. R. Kelly*  
See Moayyedi P et al on page 102; Rossen NG et al on page 110; and See Kelly CR et al on page 223.  
Podcast interview: [www.gastro.org/gastropodcast](http://www.gastro.org/gastropodcast). Also available on iTunes.

18 **Obesity and Hepatocellular Carcinoma: A Complex Relationship**  
*Z. H. Henry and S. H. Caldwell*  
See Hassan MM et al on page 119.

20 **Biliary Stents for Palliation of Obstructive Jaundice: Choosing the Superior Endoscopic Management Strategy**  
*I. S. Grimm and T. H. Baron*  
See Walter D et al on page 130.

22 **A Breath of Fresh AIRE Surrounds Paneth Cells and Defensins**  
*S. A. Yuseung and M. G. Martín*  
See Dobeš J et al on page 139.

25 **Direct-Acting Antivirals Cure Innate Immunity in Chronic Hepatitis C**  
*M. U. Mondelli*  
See Serti E et al on page 190.

**Access to the full content of Gastroenterology Online is available to all subscribers!**

AGA members have seamless access to full *Gastroenterology* content from the AGA Web site. Simply sign in to <http://www.gastro.org>, visit the Publications section of the Web site, and click on *Gastroenterology*. You will be directed to the Journal Web site and will have full access to all content without having to supply a different username and password. Members can also visit <http://www.gastrojournal.org> directly and click on "Activate Online Access." Nonmember subscribers must create an online user account and activate their subscription to access the full text of articles on *Gastroenterology* Online. To activate your individual online subscription, please visit <http://www.gastrojournal.org> and click on "Activate Online Access." To activate your account, you

will need your subscriber account or member number, which you can find on your mailing label. (AGA members must use their 10-digit member number, including leading zeros). If you have any questions regarding your online subscription please call Elsevier Customer Service at (800) 654-2452.

Institutional access to *Gastroenterology* Online will be allowed only by limited site licensing. Further instructions will be available online. Personal subscriptions to *Gastroenterology* Online are for individual use only and may not be transferred. Use of *Gastroenterology* Online is subject to agreement to the terms and conditions of use as indicated online.
