

# JAMA Ophthalmology

## Research

### Original Investigation

**3 Assessment of the Psychometric Properties of a Questionnaire Assessing Patient-Reported Outcomes With Laser In Situ Keratomileusis (PROWL)**  
RD Hays and Coauthors

**13 Symptoms and Satisfaction of Patients in the Patient-Reported Outcomes With Laser In Situ Keratomileusis (PROWL) Studies**  
M Eydelman and Coauthors

**23 Incidence and Etiologies of Acquired Third Nerve Palsy Using a Population-Based Method**  
C Fang and Coauthors

**31 Genetic and Environmental Factors Associated With the Ganglion Cell Complex in a Healthy Aging British Cohort**  
E Bloch and Coauthors

**39 The Functional Effect of Rare Variants in Complement Genes on C3b Degradation in Patients With Age-Related Macular Degeneration**  
MJ Geerlings and Coauthors

**47 Association Between Myopia, Ultraviolet B Radiation Exposure, Serum Vitamin D Concentrations, and Genetic Polymorphisms in Vitamin D Metabolic Pathways in a Multicountry European Study**  
KM Williams and Coauthors

**54 Association Between Regular Cannabis Use and Ganglion Cell Dysfunction**  
T Schwitzer and Coauthors

**62 A Revised Approach for the Detection of Sight-Threatening Diabetic Macular Edema**  
TV Litvin and Coauthors

## Opinion

### Invited Commentary

**29 Third Nerve Palsies—Less Frequent but Just as Concerning**  
NJ Newman and V Bioussé

**60 Retinal Ganglion Cell Dysfunction in Regular Cannabis Users: Is the Evidence Strong Enough to Consider an Association?**  
CJ Lyons and AG Robson

## Clinical Review & Education

### JAMA Ophthalmology Clinical Challenge

**69 An Unusual Cause of Unilateral Vision Loss**  
G Casalino and Coauthors

**71 Recent-Onset Bilateral Blurred Vision**  
K Soin and Coauthors

**73 Periorbital Mass Refractory to Outpatient Management**  
Z Haq and Coauthors

**75 Vision Loss in a Teenage Girl With Postconcussion Syndrome**  
H Al-kharsan and Coauthors

### Continuing Medical Education

**80 Online Quiz Questions**

**Issue Highlights and Continued Contents on page 1**
